The Gardener's meeting started at 7:10 pm. Liaison Francioli gave an overview of the status of the garden. Liaison Francioli said that in the fall there was a lot of clean-up at the garden. Liaison Francioli said that a lot of wood chips were added around the garden. Liaison Francioli said that 2x4x6 boards are going to be near the shed area for gardeners to make boxed gardens if they choose to add it to their garden spot. Liaison Francioli said that the gazebo should be installed in the spring. Liaison Francioli said that only organic fertilizers can be used. Liaison Francioli said that new wheel barrels may be available located in the shed. Liaison Francioli said that 60 gardens have been sold, some gardeners may have more than one garden spot and the annual fee is \$25.00. Liaison Francioli suggested that a new chart of the gardeners should be put in the shed.

Member Swala said that she is going to start a garden club at the Whippanong Library.

Chairman Kitchell encouraged the gardeners to attend the next Stoneybrook Farm & Garden meeting in March.

A few of the gardeners said that they would like more communication for example if the mulch and top soil are delivered to the garden they would like to know that it is available.

Adjourn – Chairman Kitchell adjourned the meeting at 7:40 pm.

Next Stoneybrook Farm & Garden meeting is Thursday, March 19, at 10:00 am at the Community Center.
