For Immediate Release

**THE SOUTHEAST MORRIS COUNTY MUNICIPAL UTILITIES AUTHORITY
Public Water System ID# NJ1424001**

2021 ANNUAL WATER QUALITY REPORT

(Cedar Knolls, NJ) — The Southeast Morris County Municipal Utilities Authority (SMCMUA) announces that the 2021 Annual Water Quality Report is now available. The report can be found on the SMCMUA's website at www.smcmua.org/2021WaterQualityReport.pdf

SMCMUA reports full compliance for the 2021 calendar year with all USEPA and NJDEP primary regulations, where all standards were achieved.

The Annual Water Quality Report is also known as the Consumer Confidence Report and contains information as required by the United States Environmental Protection Agency (USEPA) and the New Jersey Department of Environmental Protection (NJDEP). The report provides information on the sources of water, treatment, and monitoring results for both primary enforceable and secondary, aesthetic standards for samples collected at the source, after treatment, and throughout the distribution system. The report also contains special notices for persons who may be more vulnerable to contaminants in drinking water than the general population, such as persons who are immunocompromised, some elderly, infants, and also for persons who are on sodium restricted diets; where, in these cases, USEPA advises that these persons seek advice about drinking water from their health care provider.

The report is published electronically to better protect our natural resources but is available in hard copy by request. SMCMUA account holders and Smart911™ registrants will receive an additional notice of the release of the Annual Water Quality Report by email.

Please contact Customer Service with any questions or to request a hard copy.

All other inquires, contact:
Customer Service
973-326-6880 or customerservice@smcmua.org

CONTACT CUSTOMER SERVICE: Consumers can report non-emergency questions or concerns to our Customer Service Division at 973-326-6880 or customerservice@smcmua.org. Emergency conditions should be reported directly to 973-326-6880 during normal business hours and 973-867-1758 for after hour emergencies. Additional information is available on our website at www.smcmua.org.

ACCOUNT INFORMATION: SMCMUA requests that account holders maintain current contact information to aid in communications for billing, service and for emergency purposes. Contact Customer Service to confirm your account information is accurate.

REGISTER FOR WATER ALERTS: SMCMUA requests that all consumers who live and/or work in the service area register for Water Alerts to better ensure the timely delivery of emergency notices associated with water supply, water quality, or other important community messages from SMCMUA. You can register at www.smcmua.org and choose the “**REGISTER FOR WATER ALERTS**” icon. You can also register for other alerts related to your address during the sign-up process. If you do not have access to a computer please ask a relative, friend or neighbor to register for you.

SMCMUA was established in December of 1976. SMCMUA provides drinking water to approximately 62,050 consumers in Morris County. The SMCMUA creating municipalities are the Town of Morristown, the Township of Morris, the Township of Hanover and the Borough of Morris Plains.
