The Hanover Township Cultural Arts Committee has been a supporter of **The Hanover Wind Symphony** since its inception. It remains an all-volunteer, nonprofit organization that presents an array of engaging concerts throughout the year, many of them free of charge. Throughout their years they have included world renowned guest soloists including several principal players from the New York Philharmonic, Philadelphia Orchestra, New York Opera Company, et, al.

The Hanover Wind Symphony performs to enthusiastic audiences around the greater Morris County area and has been selected to perform throughout NJ and on occasion in Boston, NYC, Rhode Island and for the National and State Music Educator Association conferences.

With the magic of live performance, their mission is to **"Bring music to people and people to music"**
