

# ADDRESSING THE OPIOID CRISIS IN MORRIS COUNTY

Presented by Kathryn Whitehead, BSN, RN, Public Health Nurse Supervisor  
& the Substance Awareness Council

Opiate addiction has proliferated in our society and is killing people at an alarming rate. Morris County is not immune. This year's 49 opioid-related deaths exceeds the total for all of 2015. **Hanover Township is not immune to this crisis either.**

**Thursday, August 17, 7:00 PM  
Whippanong Library**

Join us to learn -- What actions Hanover Township has put in place and are involved in to address this important issue.

What is Narcan? Are our police trained in using Narcan?

Why does it matter if you leave old medications in your medicine cabinet? How does this lead to Heroin addiction? What should you do with old medications when you no longer need them?
