

# **CALLING ALL RESIDENT** **VOLUNTEERS**

## **Our Senior Citizens Need Your Help**

Snow removal is a daunting task at any age. We are trying to create a list of resident volunteers to help our senior citizens on an as needed basis with snow shoveling, blowing, or plowing. **Can you spare an hour of your time?** If so, please contact Kelli Schanz, Senior Services Advisor at 973-428-2497 or [kschanz@hanovertownship.com](mailto:kschanz@hanovertownship.com).

*NOTE: While your generosity in helping our senior citizens will be greatly appreciated, you should be aware that the Township cannot assume any responsibility or liability on your behalf for any property damage a volunteer or organization may cause to happen on the property of a senior citizen. Likewise, the Township cannot assume liability for any injuries sustained by a volunteer during the performance of snow shoveling, blowing or plowing and/or damage sustained to the equipment and/or vehicle used by a volunteer in providing snow removal services for a senior citizen.*
