

## GREEN TEAM MEETING

July 29, 2019

P. Glawe (Chairman)

D. Dittrick  
D. Fashano  
J. Hendricks  
S. Iannaccone  
A. Kraynak  
N. Mian  
D. Wilson

P. Glawe called the meeting to order at 7:10pm.

P. Glawe discussed the feedback below from Sustainable Jersey. P. Glawe said he resubmitted on three of them. P. Glawe said we have until September 4 and September 5 to resubmit for Sustainable Jersey points. A. Kraynak said that she will try to get the information for points for the Community Garden.

Sustainable Jersey Summit – N. Mian attended the Sustainable Jersey Summit in Holmdel. N. Mian gave an overview of the classes she attended. N. Mian attended the Sustainable Practices in Schools. N. Mian said that schools can be certified and different grants are available. N. Mian said the NJEA attended and information about greenhouses, nature story trail, bike racks, single stream recycling working with students and we can get grants for the programs. D. Dittrick suggested we can assist them with grants. N. Mian also suggested is a trash to treasure day. N. Mian attended another class about a Regional Hub. N. Mian asked the Green Team if we would be open to a regional hub. The Green Team members were in favor of having a Regional Hub. All members discussed how many towns would be involved. D. Dittrick suggested if the Hub is 3 or 4 towns the Hub will decide what projects to work on. N. Mian also suggested for Hanover Township day a Green Family Challenge she showed a copy of one from the summit. N. Mian said she will make one for Hanover Township day to be distributed to residents. N. Mian asked the Green Team on thoughts about plastic bags yes or no for Hanover Township. All members discussed and decided for Hanover Township day we should survey the residents on their thoughts to ban plastic bags in Hanover Township.

Green Team - Member Iannaccone asked how many members can participate on the Green Team? A. Kraynak said that it may be up to 20 members per the ordinance but we would have to check with J. Giorgio to find out if it is 20 members.

Shred Day - Member Fashano said that 91 residents participated at the Shred Day on June 22, 2019 and tonnage 2.45 paper shredded.

P. Glawe adjourned the meeting at 7:50 pm

# Hanover Twp (Morris) Application Feedback

## Feedback for "Community Education and Outreach"

**Subject** Submission Requirements Not Yet Met

**Posted** 6/27/2019 5:49 PM

---

**Body** We appreciate you sharing a description of what your towns is doing to provide education & outreach to residents and providing some supporting material. However, in order to approve this action, you must submit a completed submission checklist for each event or online activity (found in the "What to Submit" section of the action) in order to be considered. We do this so that all of our questions are answered related to the components of your event/outreach campaign.

Also note that additional documentation should be related only to the events for which you submit a checklist (i.e. promotional material for such events). Please revise your submission for the next round. Thank you.

## Feedback for "Create Green Team"

**Subject** Submission Requirements Not Yet Met

**Posted** 7/2/2019 5:50 PM

---

**Body** In an effort to keep the applications updated please delete the old documentation from 2016,2017. I could not find the updated resolution/letter of intent/proclamation on the website that the municipality still supports the green team this year. Please submit an updated resolution or a letter of support that demonstrates that the municipality still supports the green team. This document should be signed and dated within 12 months of the June certification date.
