

February 23, 2023

**For Immediate Release From
Thomas "Ace" Gallagher
Hanover Township Mayor**

Dear Residents,

During the Township Committee's January 5, 2023 Reorganization Day Meeting, I informed attendees that the first order of business on my agenda was to improve the way we communicate information to you, the residents. The Township Committee's goal is to provide accurate, factual and relevant information in real-time. Submitting information about current issues, good and bad facing our community, including a variety of activities and programs offered by our Recreation and Park Administration Department, underscores the Township's commitment to communicating worthy news in a timely fashion.

To translate our goal into practical application, the Township is partnering with an innovative social media platform known as TAPinto. To review timely information, 24 hours a day, seven days a week, go to the following link: TAPintoHanover.net and you will be able to read all that is happening in Hanover Township on a daily basis. Information will also be posted via the Township's Twitter page, [@TownshipHanover](https://twitter.com/TownshipHanover). This will expand to a Township Facebook page in the near future.

In addition, the information placed on TAPinto will also be shared on all of the existing Facebook pages in Hanover Township that we have all grown to follow and enjoy every day. Another upside is information pertinent to the Township will be released officially by the Hanover Township government.

Through the Township's website and TAPinto Hanover, you can be assured to receive factual and impartial news that underscores the Township's commitment to openness and transparency in government.

I encourage residents to subscribe to the TAPinto Hanover Township site which is an incredible improvement to the way we communicate information to residents. Finally, I urge you to sign up for RAVE, the Township's emergency notification system. To register, go to the HanoverTownship.com homepage and click the "Emergency Notifications" button at the bottom. The link will bring you to a Smart911 registration page titled the "Hanover Township, NJ Community Opt-In Portal." Fill out the information on the site and then create your account.

Very Truly Yours,
HANOVER TOWNSHIP
