“DUMPSTER/ROLL-OFF CONTAINERS” UNDER CHAPTER 154 OF THE CODE OF THE TOWNSHIP OF  
HANOVER ENTITLED GARBAGE, RUBBISH, AND REFUSE.**

**NOW, THEREFORE, BE IT ORDAINED**, by the Township Committee of the Township of Hanover in the County of Morris and State of New Jersey as follows:

**Section 1.** Provisions governing the utilization of dumpsters and/or roll-off containers as described below shall be set forth under a new Article IV entitled “Dumpsters/Roll-off Containers” to be included as part of Chapter 154 of the Code entitled Garbage, Rubbish, and Refuse:

Article IV

Dumpsters/Roll-off Containers

***Section 154-27. Definition and Use of Dumpsters/Roll-off Containers***

Any person may utilize a waste or refuse container, commonly known as a roll-off dumpster or roll-off container for the purpose of collecting and removing construction debris related to the construction, reconstruction, renovation, and/or improvement to any dwelling unit or commercial structure within the Township of Hanover. Dumpsters/Roll-off containers shall only be located on private property and shall not be left standing or parked on or along any Township street, road, right-of-way, or on any public property.

***Section 154-28. Placement of Dumpsters/Roll-off Containers on Township Streets, Roads, Rights-of-Way.***

In the event of extenuating circumstances, whereby a dumpster/roll-off container cannot be located on private property due to driveway width or other property access constraints, a dumpster/roll-off container may be placed at curbside on any Township street, road, or right-of-way. However, on a case by case basis, it shall be the responsibility of the Police Chief and/or his/her designees to determine whether or not the dumpster may be located at curbside.

***Section 154-29. Application and Permit Required.***

Before a dumpster/roll-off container may be located on or along any Township street, road, or right-of-way, and utilized for the purpose of collecting construction debris, an application must be completed prior to the issuance of a

permit. All applications and permits shall be obtained and issued through the office of the Business Administrator/Township Clerk.

However, before a permit or renewal is issued, the Police Chief and/or his/her designees shall review each application for safety concerns, the effect on traffic and pedestrian safety, inconvenience to the public, and other potential safety hazards. No permits or renewals shall be issued by the Office of the Business Administrator/Township Clerk without the prior review, approval, and signature of the Police Chief and/or his/her designees.

***Section 154-30. Duration of Permit and Renewals.***

Upon approval of the application, a permit shall be valid and remain in effect for a period of not more than fifteen (15) calendar days. The initial permit may be renewed by the office of the Business Administrator/Township Clerk upon the filing of a renewal application. In the event of extenuating or unforeseeable circumstances, requiring the continued use of a dumpster/roll-off container, the applicant must provide the office of the Business Administrator/Township Clerk and the Chief of Police or his/her designees with good reason as to why the permit should be renewed. However, not more than four (4) consecutive renewals shall be issued to any applicant.

***Section 154-31. Fees.***

The processing fee for the initial application and permit and any renewal permits shall be ten (\$10.00) dollars for each fifteen (15) calendar day period.

***Section 154-32. Warning Devices.***

To warn the operators of vehicles and pedestrians in the presence of a dumpster, requiring the exercise of care, any roll-off dumpster or roll-off container parked on private property or parked on or along any Township street, road, or right-of-way shall be equipped with and display markers consisting of all yellow reflective diamond-shaped panels having a minimum size of eighteen (18") inches by eighteen (18") inches. These panels shall be mounted at the edge of the dumpster or container at both ends nearest the path of passing vehicles and/or facing the direction of on-coming traffic. These markers shall have a minimum mounting height of three (3) feet from the bottom of the panels to the surface at the road. In addition, four (4) reflective orange cones shall be placed along each side of the dumpster.

***Section 154-33. Unattended Dumpsters.***

The contents of a dumpster/roll-off containers placed on a Township street, road, or right-of-way and/or on private property shall not be allowed to overflow and/or deposit, spill, or scatter debris in the public right-of-way and/or on private property, therefore creating a nuisance or danger to the public's health, safety, and welfare. The applicant and/or owner of a dumpster/roll-off container located on a Township street, road, or right-of-way, found to be in violation of this provision shall be issued a summons for littering by the Police Department in accordance with section 171-2. and 171-3.A. of Chapter 171 of the Code of the Township of Hanover entitled Littering.

"Violations" of Chapter 218 of the Code of the Township of Hanover entitled Property Maintenance.

***Section 154-34. Insurance.***

At the time application is made, the applicant shall provide the Office of the Business Administrator/Township Clerk with a copy of a valid and current Certificate of Insurance. In the case of home improvements, a resident shall provide a Certificate showing evidence of general liability insurance coverage in the minimum amount of \$100,000.00 as set for under a Homeowner's Insurance Policy. In the case of commercial and industrial properties, the applicant shall provide a Certificate showing evidence of general liability insurance coverage with a minimum amount of \$500,000.

If the Township grants permission to an applicant for the placement of a dumpster on a Township street, road, or right-of-way, the Certificate shall name the Township as an "additional insured". All such policies of insurance shall be primary to all other available coverages. Each Certificate of Insurance shall identify the coverages provided and shall state that such insurance shall not be changed or cancelled without giving thirty (30) calendar days prior written notice to the Business Administrator/Township Clerk by certified mail, return receipt requested. Specific reference to the dumpster being located on a Township street, road, or right-of-way shall be made on the Certificate.

***Section 154-35. Compliance with Ordinance/Permit Requirements.***

Such revocation shall require the applicant to remove the dumpster/roll-off container within twenty-four (24) hours of notice by the Chief of Police or his/her designees that the applicant is in violation of the ordinance.

***Section 154-36. Enforcement.***
